

Homemade Dog Treats

Yield: 36 treats

Ingredients:

2 cups oat flour
¼ cup rolled oats, plus more for sprinkling
¼ cup sweet potato puree
2 tablespoons all natural peanut butter
½ cup low-sodium chicken broth
½ cup freshly grated carrot

1 1/2-inch heart cookie cutter

Instructions:

Preheat the oven to 350 degrees F. Line a sheet tray with parchment paper. In a medium bowl combine the oat flour, oats, sweet potato and peanut butter and stir together until a paste forms. Add the chicken broth and stir until smooth, then fold in the carrot. Transfer the dough onto a sheet of parchment paper and top with an additional sheet. Use a rolling pin to flatten the dough between the parchment paper to about a ½-inch thickness. Remove the top piece of parchment and using the heart cutter to cut out the treats. Transfer the treats to the prepared sheet tray and bake in the center rack of the oven for about 20 minutes, or until cooked through and lightly golden. Transfer to a rack and cool to room temperature. Store the treats in an airtight container.
